

REMARKS

Upon further review of the above-reference patent application it has been noted that deletion of the claims prosecuted in the parent case, U.S. Serial No. 315,342, filed February 23, 1989, was inadvertantly omitted when the present divisional application was filed. We have hereby deleted these claims by amendment.

A new fee calculation page showing calculation of the correct fees due is enclosed. We also enclose a copy of our check record showing payment of \$1,990.00 in filing fees submitted with the application filed, and a check in the amount of \$100.00, to cover payment of remaining filing fees due.

Respectfully submitted,

LAHIVE & COCKFIELD
